

BARR BALUSTRADE SYSTEM

INGENIOUSLY DESIGNED 50x25MM VERTICAL BALUSTER
ALUMINIUM BALUSTRADE SYSTEM

Why choose BARR?

Elevate aesthetics and functional living spaces with BARR – the brand new and ingeniously designed 50x25mm vertical baluster aluminium balustrade system. Pushing the boundaries of modern design and craftsmanship, we've revolutionised traditional balustrade systems.

- 1. STREAMLINED INTEGRATION**
The horizontal top and bottom rails seamlessly pass through expertly machined holes in the balusters, ensuring a sleek appearance and superior structural integrity.
- 2. ROBUST ALUMINIUM BUILD**
Durability meets design. Our balusters are crafted from high-grade aluminium, ensuring long-lasting performance without compromising on elegance.
- 3. SPACE-SAVVY DESIGN**
With a slim 50x25mm profile, vertical balusters provide a visually expansive feel, making spaces look bigger and more open, while ensuring safety and sturdiness.
- 4. EASY INSTALLATION**
Panels are fully welded and ready to install with slimline brackets at each end. Install utilising sturdy core drill, deck mount or face mount posts.
- 5. MAINTENANCE SIMPLICITY**
With its corrosion-resistant properties, our aluminium balustrade system promises minimal upkeep, retaining its shine and strength for years to come.
- 6. COMPLIANCE**
Contact us for engineer compliance certification.

ONE SYSTEM, 3 STYLES

01 BARR Core Drill

50x50mm core drill posts featuring welded BARR 50x25mm balustrade infill panels

02 BARR Base Plated

50x50mm base plated posts featuring welded BARR 50x25mm balustrade infill panels

03 BARR Face Mount

50x50mm face mounts posts (including end and mid posts) with welded BARR 50x25mm balustrade infill panels

Our colour range

BARR is stocked in 2 popular balustrade powder coat finishes: Satin Black and Pearl White Gloss.

Satin black and pearl white continue to be the consistent colour palate for balustrade and seamlessly integrate into a variety of backgrounds. Pearl white is a growing trend in balustrade with the proliferation of Hamptons inspired design.
