

REPELS WATER

WARRANTY

# The world's leading glass treatment now available at Glass Outlet

## Ultimate protection

Optically clear, UV stable, chemical resistant, water and oil repellent

## Reduces maintenance costs

EnduroShield keeps glass visibly cleaner for longer and reduces the frequency between cleans

## Highly durable

Permanently bonds to the glass and comes with a true 10 year performance warranty\*

## Suits all glass ranges

From balustrading to pool fencing, high rise and domestic glazing, shower screens and insulated glass units, EnduroShield is the smart choice for glass

Untreated

Treated

Add value to your glass sale and increase your profit!

A permanent\* coating that is both water and oil repellent

Silicone based coating

Competitor products fill in hills & valleys of the glass

Glass substrate

EnduroShield coating

EnduroShield follows hills & valleys of the glass

Glass substrate

Silicone based sealers sit on top of the glass surface and can quickly wear off, leaving the surface unprotected. EnduroShield follows the hills and valleys of the glass, forming a strong, permanent\* bond that does not flake or peel.

## Testing and certification

\*EnduroShield's performance has been independently tested by one of the leading global testing and certification houses, TÜV Rheinland in Germany for durability, easy-clean functionality, safety and quality. Testing was carried out to simulate a lifetime of 10 years on glass for both interior and exterior use, and EnduroShield passed all test.

- Easy to clean
- Durability tested

# How to place your EnduroShield order

---

**Glass Outlet now offers an EnduroShield coating service in-house, applied by fully accredited and specially trained staff**

**Purchase our EnduroShield coating service as an optional extra on your next order!**

This service can be purchased for job lot orders from all glass ranges available from Glass Outlet, including project orders.

Service only available at Virginia, Gold Coast & Newcastle depots only. Availability at other depots subject to notice.

## Step 1

Place order for glass as normal

## Step 2

Specify EnduroShield coating required

**We have a FREE excel calculator which provides instant pricing.**

**[Contact us for your copy](#)**

## Step 3

We will provide you with a sales order confirmation of pricing with EnduroShield coating

## Step 4

We will apply EnduroShield coating on both sides of glass in your order. Once coating has cured, glass will be despatched (pick-up, delivery or freight as required)
